Subject: Cargill Amended Rule 30(b)(6) Notices

John,

After further consideration I have agreed, as you suggested, to reduce the Rule30(b)(6) inquiries for both Cargill entities in order to complete them in one day instead of two. We will re-notice Cargill entities after the PI to complete our 30b6 inquiry of both entities. The previously noticed date of January 31, 2008 will not be needed. This will also eliminate a conflict with another deposition set on the 31st of January. Since I have not heard otherwise I assume you agree that we can conduct these in your offices in Tulsa.

Rick
